Subject: Education Commission

Dear Sir

Perhaps you are aware that the Higher Education Department, Government of West Bengal has constituted an Education Commission with Dr. Samir K. Brahmachari, Former Director General, CSIR, as its Chairman to prepare the road map and perspective plans for the State's education sector.

The Commission has launched its website (www.wbeducom.in) for all and expects your valuable inputs/opinion on various issues related to development of education. Please visit the website and write blog, participate in opinion poll etc. for the cause of education. Let us try to bring back the pristine glory of Bengal in education.

Please communicate your friends and colleagues/teachers/ students about it and involve them also in this matter. The vision document that the Commission is going to submit stands on four basic pillars - Inclusiveness, Excellence, Employability and Value based Education.

So please respond to our call immediately.

Thanks and regards,

Prabir

Dr. Prabir Kumar Das
Member Secretary,
West Bengal State Council of Higher Education
